

## Black Jesus - Everlast

### Originální text

They call me white devil, black Jesus  
Heaven closes, hell freezes  
Ego's trippin', scripts keep flippin'  
Bloods keep bloodin', Crips keep  
crippin'

Time keeps slippin', and I keep fallin'  
I can't see but I hear them callin'  
Ballers ballin', Players playin',  
Haters fightin', righteous prayin'

Dawn breakin', Manhattan keeps  
makin'  
Brooklyn keeps takin', shook ones keep  
shakin'  
No time for fakin', nah mean I ain't  
choppin' no pies  
Just risin' like cream

If you're digging the scene  
If you feelin' the vibes  
Throw your hands in the air  
Scream out you're alive

Singin' na na nana na na...

They call me black Jesus, white Moses  
Heaven freezes, hell closes  
B.Boy poses, and punk rock chicks  
The kids are all right but I need my fix

If you're diggin' the mix, you're feelin'  
the drugs  
If you're keepin' it real, if you're livin'  
like thugs  
I spit kisses and hugs like 45 slugs  
Come back on the one and kiss my love  
gun

Gotta look that will kill, a voice that will  
carry  
Half a dozen women that I think I  
wanna marry  
The trouble on my mind I'm refusin' to  
lose

Still I've gotta find someone to abuse

So won't you run spread the news  
Help say the word  
And jump the fuck back  
And just act like you heard

They call me white devil, black Jesus  
Heaven closes, Hell freezes  
Black Jesus, white Moses  
Heaven freezes, Hell closes

Singin' na na nana na na...

They call me white sinner, black martyr  
Live wire, fire starter  
Jungle brother, red neck cracker  
Freak of nature, new world slacker

Sex junkie lookin' for a dealer  
You can play the leaper girl and I can  
play the healer  
Shit is only getting realer baby haven't  
you heard  
That the Bird, bird, bird, yes the bird is  
the word

They go one for the trouble  
Two for the time, three for my homies  
And four for the dimes  
Singin' lemons to the lime till the break  
of dawn

Excuse me every six minutes, Everlast  
you're on  
And they go on and on  
Like a rolling stone, baby  
Anywhere I lay my hat is my home

They call me white devil, black Jesus  
Heaven closes, Hell freezes  
Black Jesus, White Moses  
Heaven freezes, Hell closes

Singin' na na nana na na...
