Definition of refugees

- „A person who is outside his or her country of nationality...has **fear** of persecution of his or her race, religion, nationality; and is unable to...return there for fear of persecution.“
- They leave their homes and their country because they have no other choice.
- Factors – war, persecution, natural disasters, environmental crises, poverty, no human rights
- Places – Palestine, Afghanistan and Iraq

Environmental refugees

- People forced to leave their homes because of environmental factors are considered a **new type of refugee**.
- Factors – rising sea levels, soil erosion, lack of freshwater supplies,
- Places – mostly Africa, Asia, India

Economic migrants

People who normally leave their homes and countries voluntarily to seek a better life elsewhere.

UK Border

So do you know
what are the
differences
between refugees
and emigrants?

Answer

- **Refugees** – flee their homes because of the threat of PERSECUTION
- **Economic migrants** – can return home when they choose to, will **not face** the threat of persecution.

Where refugees can find help?

- UNHCR (The United Nations High Commissioner for Refugees)
 - Special agenture responsible for assisting refugees (to protect them and solve their problems)
- How do they help?
 - With seeking asylum
 - Finding place of safety in another state

**REFUGEES ARE
WELCOME HERE**

Problems of asylum seekers

- They are turned away at country borders
 - Why?
 - Right identification
 - Travel documents
 - Applying for refugees status

Are they safe after they leave their home?

- Live is never easy for them
 - Why?
 - Bad memories of past experiences
 - Separating from family and friends
 - Get used to on life in a new country (language, job)

Refugees and human rights

- Human rights are abused
- Every refugee has the right to safe asylum
- Child refugees – rights are denied
 - Separating from family
 - Mistreating
 - Abusing
 - Forcing them to work in dangerous environment

Three ways for better life of refugees and asylum seekers

- 1) Governments need to consider actions which are forcing people to leave their home!
- 2) Safety in another country needs to be improve!
 - They need financial support – health care, education
- 3) The same conditions for rich and poor people!
