# NIMBY

- Have you ever had any problem with public facilities or anything else in your close neighbourhood? Name it.
- What are typical examples we encounter with every day?

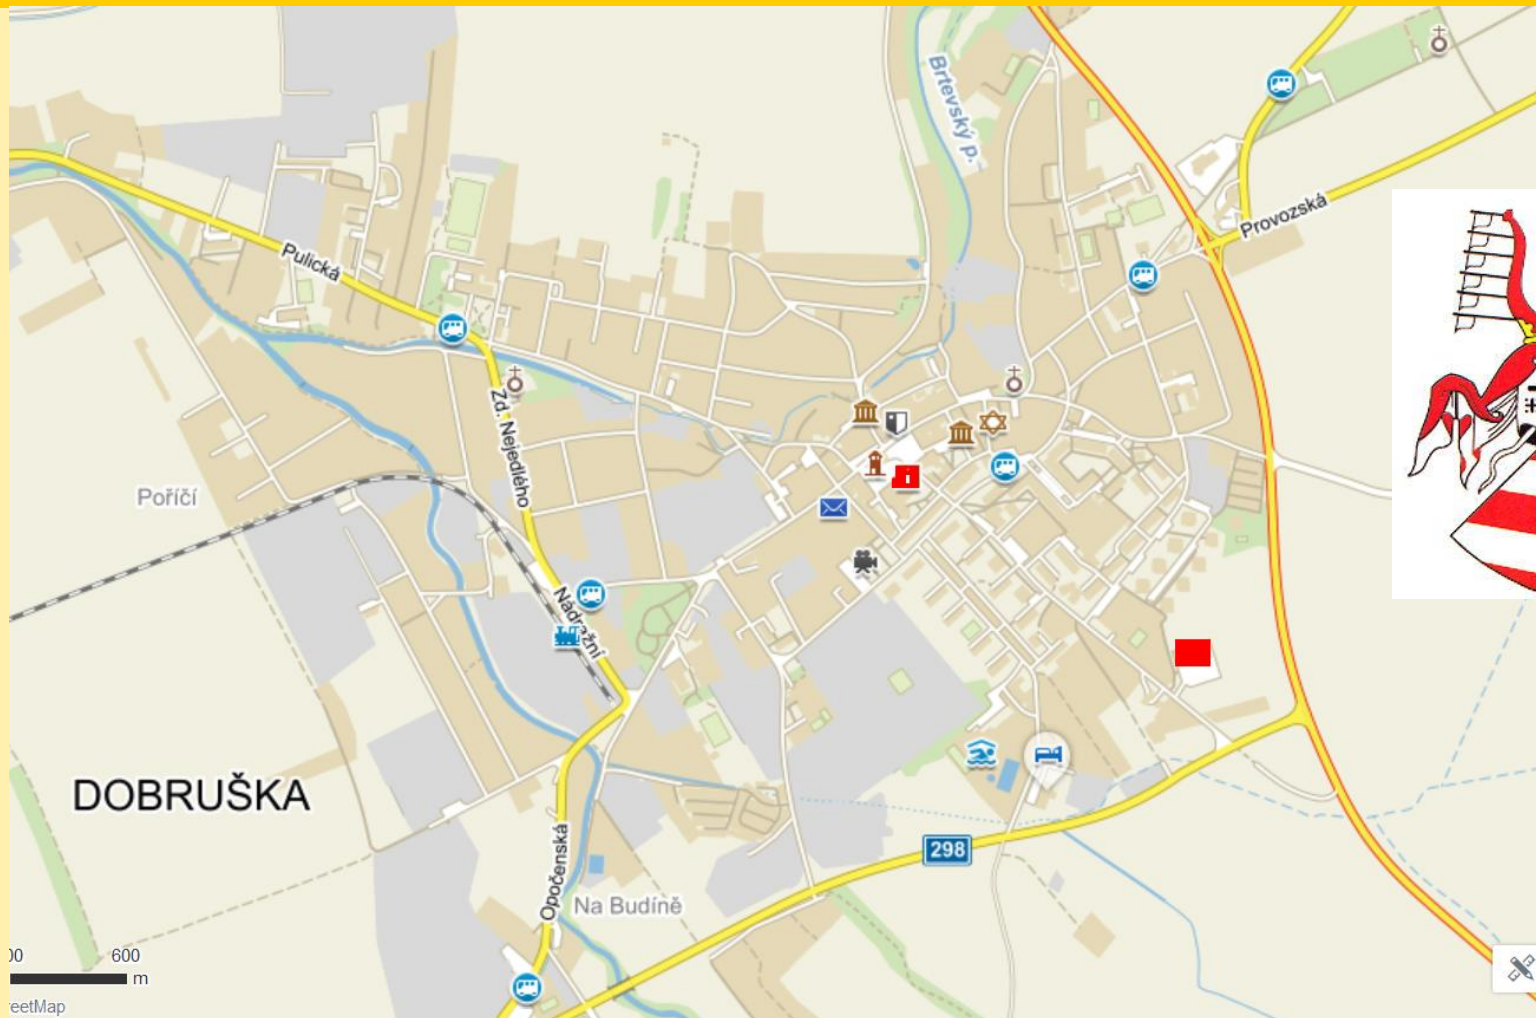

# To build or not to build

- There live 7000 inhabitants in Dobruška and there are 2 supermarkets already (COOP on the town square and PLUS on the outskirts).
- There are plans to build a new Lidl supermarket.
- The new Lidl is to stand in on an empty property. A completely new - standardized building is to be built.
- Will you support it?
- Will you be against it? Why?
