# Anarchism

- generally entails opposing authority or hierarchical organisation in the conduct of all human relations, including, but not limited to, the state system
- usually considered a radical left-wing ideology, and much of anarchist economics and anarchist legal philosophy reflects anti-authoritarian interpretations of communism, collectivism, syndicalism, mutualism, or participatory economics

# Squatting

- the action of occupying an abandoned or unoccupied area of land or a building, usually residential, that the **squatter** does not own, rent or otherwise have lawful permission to use
- squatters often claim rights over the spaces they have squatted by virtue of occupation, rather than ownership ... a possessor of real property without title may eventually gain legal title to the real property
- A person is not a **squatter** if they are living on the premises **legally** or with permission from the owner. **Squatting** is always defined as illegal, as it requires trespassing, which disqualifies you from gaining ownership of the property through adverse possession laws

# „Legal“ Squatting ... not only Christiania

# Disobedience vs. Civil Disobedience

- Disobedience
  - failure or refusal to obey rules or someone in authority
- Civil Disobedience
  - Resistance to Civil Government (Civil Disobedience)
    - an essay by the transcendentalist Henry David Thoreau (1849)
    - individuals should not permit governments to overrule or atrophy their consciences, and that they have a duty to avoid allowing such acquiescence to enable the government to make them the agents of injustice
  - Mahatma Gandhi; Martin Luther King Jr.; Rosa Parks, Nelson Mandela
  - Greenpeace; Occupy Wall Street

# Ende Gelände

## Stop Coal. Protect the Climate!

- Ende Gelände = Here and no further
- Lignite (coal) mine in Germany
- Owner:
  - Till October 2016 Vattenfall (SWE)
  - Now EPH (CZ)
- Intended to stop the selling process - instead, Vattenfall should have financed a social coal phase out and cover ecological follow up expenditures
